

On the sixth Sunday of Lent, we celebrate Palm Sunday, the day Jesus entered Jerusalem riding on a donkey while the people welcomed Him with joy. They waved palm branches and shouted, “Hosanna! Blessed is He who comes in the name of the Lord!” (John 12:13). This joyful event occurred just before the start of Holy Week, when Jesus would suffer, die, and rise again for our salvation.

## WHY IS IT IMPORTANT?

Palm Sunday reminds us that Jesus is our King, not of an earthly kingdom, but of Heaven. The people welcomed Him with joy, yet later, many turned away. We are called to remain faithful to Jesus, not just on joyful days, but always—even when times are tough.

## DO YOU KNOW HOW WE CAN APPLY THIS TODAY?

We can welcome Jesus into our hearts just as the people welcomed Him into Jerusalem—through prayer, acts of love, and preparing for Holy Week with faith and devotion.

**ACTION!**
